

SESP Fort Worth 2004: Program Overview

Thursday, October 14

- 8:00am – 5:00pm Groups Preconference
8:00am – 5:00pm Self Preconference
- 1:00pm – 8:00pm SESP Registration
5:30pm – 11:00pm SESP Executive Committee Meeting and Dinner
7:00pm – 11:00pm Opening reception

Friday, October 15

- 7:30am – 8:30am Breakfast
8:00am – 7:00pm Registration
- 8:30am – 10:15am Symposia 1
- 1A. Linking Cognition, Emotion, and the Body: New Approaches to Understanding the Regulation of Social Behavior
Chair: Eric J. Vanman
- a. Eddie Harmon-Jones: The action-based model of cognitive dissonance and its links to self-regulation and affective and cognitive neuroscience
 - b. Tiffany A. Ito, Joshua Correll, & Geoffrey R. Umland: Regulating racially-biased behavior: Using ERPs to understand the police officer's dilemma
 - c. Eric J. Vanman: The somatic basis of intergroup biases: Introducing a new model of prejudice and discrimination
 - d. Gerald Clore & Liz Dunn: New light on mood and stereotyping
- 1B. Situational Triggers of Social Justice Concerns
Chairs: Linda J. Skitka & Kees van den Bos
- a. David A. Schroeder, Alicia F. Bembek, Kim Kinsey, Andria Woodell, & Julie Steel: Changing justice concern in social dilemmas
 - b. Linda J. Skitka & Elizabeth Mullen: Understanding the moral mandate effect: Motivated reasoning or moral intuitions?
 - c. Kees van den Bos: On the foundations of social justice: The influence of active states on fairness reactions
 - d. Heather Smith, Tracey Cronin, & Sarah Nevins: Relative deprivation, emotional reactions, and a university-funding crisis
- 1C. Theories of Small Groups: Interdisciplinary Perspectives
Chairs: Andrea B. Hollingshead & Marshall Scott Poole
- a. Andrea B. Hollingshead: A look at groups from the functional perspective
 - b. Janice Kelly: Understanding groups from a feminist perspective
 - c. Dick Moreland: Time, change, and development: Temporal perspectives on groups
 - d. Marshall Scott Poole: Discussant
- 10:15am – 10:30am Morning break

10:30pm – 12:15pm

Symposia 2

2A. Inhibition and Social Control

Chair: William von Hippel

- a. Patricia Linville: Inhibition processes in social behavior: Good news and bad news about inhibitory ability
- b. Bill Swann & Pranj Mehta: The blirt and the boomerang: Reactions to set-point violations among verbal inhibitors and disinhibitors
- c. Jennifer S. Beer & Sanjay Srivastava: Implicit theories of shyness and social control
- d. William von Hippel: Aging, inhibition, and socially inappropriate behavior

2B. Culture as a Process: Dialectics of Continuity and Change

Chairs: Michele J. Gelfand & Shinobu Kitayama

- a. Michelle J. Gelfand: The system of cultural tightness-looseness: A multilevel analysis of situational constraint
- b. Jeffrey Sanchez-Burks: Culture, relational schemas, and disadvantage in workplace situations
- c. Ho-ying Fu, Michael W. Morris, Sau-lai Lee, Melody Chao, Chi-yue Chiu, & Ying-yi Hong: Motivated cultural cognition, reloaded: Understanding the Culture X Need for Closure interaction in social judgments in terms of the motive for justifiable answers
- d. Hazel Markus: Discussant

2C. Self-Structure: Sources of Fragility and Resilience

Chair: Carolin Showers

- a. Jennifer Crocker: Fragility and resilience of self-esteem: Contingent self-worth and learning orientation
- b. Allen R. McConnell & Robert Rydell: Self-concept representation and fragility in mental regulation, affect, and the experience of well-being
- c. Carolin J. Showers & Virgil Zeigler-Hill: The hidden vulnerability of a compartmentalized self
- d. Stephen J. Spencer: Nagging doubts and a glimmer of hope: The role of Implicit self-esteem in self-image maintenance processes
- e. Frederick Rhodewalt: Discussant

2D. Close Relationships Symposium in Honor of Executive Committee Chair, Margaret Clark

Chair: Margaret Clark

- a. Kipling D. Williams & Julia Fitness: Social and physical pain: Similarities and differences
- b. Jennifer J. Harman, Blair T. Johnson, & Kerry L. Marsh: Relationship closeness under threat: Gender differences in attitudes towards condoms
- c. John Karremans & Henk Aarts: Automatic forgiveness in close relationships
- d. Gregory R. Maio, Geoff Thomas, Frank W. Fincham, & Kathy B. Carnelley: Using families to detect relationship influences on forgiveness

12:15pm – 1:30pm

Lunch and Business Meeting

1:30pm – 3:15pm

Symposia 3

3A. The 50th Anniversary of Allport's *The Nature of Prejudice*

Chairs: Peter Glick, John F. Dovidio, & Laurie A. Rudman

- a. Peter Glick: Confirming and questioning Allport's assumptions
- b. Alice H. Eagly: Moving beyond Allport's definition of prejudice: Prejudice as an attitude in context
- c. Susan T. Fiske: Social cognition and the normality of prejudgment
- d. Bernadette Park & Charles M. Judd: Group differences, stereotype accuracy, and the tolerant personality
- e. Miles Hewstone: Intergroup contact: Allport's "contact hypothesis" and beyond
- f. Brenda Major: The psychological impact of prejudice

3B. Motivational Framework of Implicit Affect

Chairs: Ayelet Fishbach & Melissa J. Ferguson

- a. Melissa J. Ferguson: Motivation and automatic liking: How current goal-pursuit influences automatic evaluation
- b. Ayelet Fishbach: Self-control in action: The automatic processes of approaching goals and avoiding temptations
- c. Arie W. Kruglanski: Means directed affect in goal systems
- d. Miguel J. Brendl, Arthur B. Markman, & Kyungil Kim: Goal structure and preferences: On devaluation and narrow valuation

3C. Emotion Regulation: Pathways to Health and Dysfunction

Chair: Jeffrey Simpson

- a. Peter Salovey & Marc Brackett: Emotional intelligence and emotional regulation
- b. Paula Pietromonaco, Sally Powers, & Lisa Feldman Barrett: Romantic attachment and stress reactivity and regulation
- c. M. Lynne Cooper, Mindy Flanagan, Amelia Talley, & Lada Micheas: Individual differences in regulatory abilities shape patterns of risk-taking from adolescence into young adulthood
- d. Omri Gillath, Silvia Bunge, Phillip Shaver, & Mario Mikulincer: Attachment and the regulation of negative emotions: An fMRI exploration

3D. The Psychology of Magical Beliefs

Chair: Emily Pronin

- a. Jesse M. Bering: Social dynamics in death, as in life
- b. Emily Pronin, David Wegner, & Kim McCarthy: Apparent magical powers: Effects of private thoughts on perceived personal influence
- c. Chris Wetzel: Testing a touch therapist: Are the hands or the mind more clever than we think?
- d. David Schneider: Discussant

3:15pm – 3:30pm

Afternoon Break

3:30pm – 5:30pm

Plenary Session: Foundations of Major Theories in Social Psychology

Chair: William Ickes

- a. Elliot Aronson: Present at the creation (almost!): The origins of dissonance theory

- b. Ladd Wheeler: The intellectual origins and early years of social comparison theory
- c. Bernard Weiner: Some origins of attribution theory
- d. Michael Hogg: The intellectual origins and meta-theoretical context of social identity theory

5:30pm – 7:00pm Buses to Museum District, Fort Worth

6:00pm - 9:00pm Dinner at the Amon Carter Art Museum, Museum District in Fort Worth

Saturday, October 16

7:00am – 9:00am Breakfast

8:00am – noon Registration

8:30am – 10:15am Symposia 4

4A. The Role of Stereotype Control in Weapon Identification and Shooting Decisions

Chair: Bernd Wittenbrink

- a. Jeffrey W. Sherman: Beyond automaticity and control: Implicit measures of prejudice tap multiple cognitive processes
- b. Keith Payne: A role for control in weapon misidentification
- c. Bernd Wittenbrink, Joshua Correll, Bernadette Park, & Charles M. Judd: Stereotype activation and control as determinants of shooter bias
- d. David M. Amodio, Patricia G. Devine, & Eddie Harmon-Jones: The role of conflict-detection in stereotype control: Implications for individual differences in regulatory ability

4B. The Impact of Self-Affirmation on Persuasion: Examining Classic and Contemporary Mechanisms

Chair: Richard E. Petty

- a. Pablo Briñol, Richard E. Petty, & Ismael Gallardo: The multiple roles of self-affirmation in persuasion
- b. Mark P. Zanna, Joshua Correll, & Stephen J. Spencer: An affirmed self and an open mind: Self-affirmation and sensitivity to argument strength
- c. Geoffrey Cohen, Lillian Hsu, David Sherman, & Tony Bastardi: Shifting attitude functions: When affirmations make a difference
- d. Brett Pelham: Discussant

4C. Developing Directions in Morality and Justice Research

Chair: Thane Pittman

- a. John Darley: Introduction: The escalation trap
- b. Kenworthy Bilz: Multiple punishments as a response to the multiple harms of crimes
- c. Thane Pittman: The attributional puzzle of moral luck
- d. John Darley: Brain-imaging insights on moral judgments
- e. Mark Alicke: Discussant

4D. Hearts and Minds: Affect in Social Thinking and Behavior

Chair: Joseph P. Forgas

- a. Joseph P. Forgas: Affective influences on interpersonal behaviors
- b. Justin Storbeck & Gerald Clore: Controls on cognitive processing: Behavioral and neurological considerations
- c. Piotr Winkielman: Doing without feeling: How unconscious emotion drives evaluations and behavior
- d. Constantine Sedikides: The psychology of nostalgia: A neglected social effect

10:15am – 10:30am Morning break

10:30am – 12:15am Symposia 5

5A. Why Neighbors Kill: Explaining the Breakdown of Ethnic Relations

Chair: Victoria Esses

- a. Jim Sidanius: Under color of authority: Terror, intergroup violence, and the law
- b. John F. Dovidio: On the nature of prejudice: The psychology of hate
- c. Victoria Esses & Lynne Jackson: Applying the instrumental model of group conflict to understanding ethnic conflict and violence
- d. Jared Kenworthy, Miles Hewston & Nicole Tausch: Prior intergroup contact and ethnic killing

5B. Neural Bases of Personality and Social Behavior

Chair: Turhan Canli

- a. Arthur Aron, Helen E. Fisher, Debra Mashek, Greg Strong, Haifang Li, & Lucy L. Brown: Correlations of attachment style dimensions with neural activations in romantic love
- b. Turhan Canli: Deconstructing neuroticism: Gene-brain interactions during an emotional attention task
- c. Joan Y. Chiao & Nalini Ambady : Distinct neural systems underlying the perception of social dominance from facial cues
- d. Ahman Hariri: Functional neuroimaging of genetic variation in brain function

5C. Education and Social Psychology

Chair: Harris Cooper

- a. Lee Jussim: It's not my fault: Educational data demonstrated high accuracy and weak self-fulfilling prophecy when I was still a college dropout
- b. Sandra Graham: Attribution theory in the classroom
- c. David Johnson: Cooperative learning and social psychology: The interrelationship among theory, research, and practice

5D. Fifty Years of Research on Social Comparison Theory

Chair: Jerry Suls

- a. Mark Alicke "Social comparison: Social, comparative, important?"
- b. William P. Smith: Preference for and use of social category information in response to ability comparison and social identity motives

- c. Yechiel Klar: When stereotypes and categories invade social comparison: Attempting to extend social comparison psycho-logic
- d. Diederik Stapel: Revisiting the similarity hypothesis: Specificity is the key

12:30pm – 1:30pm

Lunch

1:45pm – 3:15pm

Symposia 6

6A. Social Power

Chairs: Markus Brauer & Richard Y. Bourhis

- a. Adam D. Galinsky, Joseph Magee, Deborah Gruenfeld, Jennifer Whitson, Katie A. Liljenquist, & Brian Cadena: Under the influence? Power and immunity to environmental and social influence
- b. Judith A. Hall & Marianne Schmid Mast: The role of proximal states in predicting nonverbal behavior on the vertical dimension of social relations
- c. Richard Y. Bourhis & Catherine Amiot: Discrimination between dominant and subordinate groups in unstable power structures
- d. John Jost: Power, system justification, and the palliative function of ideology

6B. Contemporary Social Psychological Perspectives on Morality

Chair: Felicia Pratto

- a. Charles Stangor: Prejudice as social values
- b. Felicia Pratto & Demis E. Glasford: Prospect theory, ethnocentrism, and the value of a human life
- c. Margaret S. Clark, Joan Knihnicki, & Sara Algoe: Relationship context is important to understanding moral emotions
- d. Christopher W. Bauman and Linda J. Skitka: Moral conviction: Is it more than attitude strength?

6C. On the Psychology of Culture: Selection Mechanisms in Culture and the Marketplace of Ideas

Chair: Chip Heath

- a. Chip Heath: Emotion and extremity as selection mechanisms: Urban legends, mad cow disease, social comparisons and drinking tales
- b. Jeffrey Loewenstein: A plot structure to generate interest: Jokes, advertisements, and fairy tales
- c. Rob MacCoun: Media reporting of jury verdicts: The tail (of the distribution) wagging the dog?
- d. Nicholas Epley & Jesse Preston: The explanatory utility of valuable beliefs: Science and religion

6D. Expectations and Outlooks for Future Affect

Chairs: Ian M. Handley & Dolores Albarracín

- a. Gifford Weary & Stephanie J. Tobin: How negative expectancies can lead to positive impressions: Expectancies as comparison standards in the dispositional inference process
- b. James A. Shepperd, Kate Dockery, & Patrick J. Carroll: The effect of expectations on feelings about outcomes

- c. Ian M. Handley, Dolores Albarracín, Rick D. Brown, G. Tarcan Kumkale, Ece Kumkale, & Hong Li: A multi-stage approach to understanding the effects of message-induced affective expectations on affective experience

| | |
|-----------------|---|
| 3:15pm – 3:30pm | Afternoon break |
| 3:30pm – 5:00pm | Dissertation Award and Distinguished Scientist Award Symposium William Crano: Chair; Glenn Reeder, David Hamilton, Roderick Kramer |
| 5:00pm – 6:00pm | Discussion 1: Meet the Journal Editors Charles Carver, Harris Cooper, Patricia Devine, Jack Dovidio, Bernadette Park, Eliot Smith, Chick Judd Discussion 2: Social Psychology & the Media: How “We” Can Talk to “Them” Ellen Bruin and Diedereik Stapel Discussion 3: The Current Role of Motivation in Social Psychology James Y. Shah, Arie Kruglanski, and others Discussion 4: Federal Funding Opportunities for Social Psychology Dr. Amber L. Story, NSF Dr. Richard Nakamura, NIMH |
| 5:00pm – 6:30pm | Cash Bar Reception |
| 5:00pm – 6:30pm | Informal Paper Presentations |
| 6:30pm – 8:00pm | Dinner |
| 8:00pm-?? | Enjoy the Stockyards and Nightlife in Fort Worth |
